REMINDER

When classes are _not_ in session (summer, holidays, and other breaks) and Health Services is closed, health care provided by agencies listed within or other health care providers must be paid for by your health insurance carrier. Your student Health Services Fee _does not cover_ your health care needs when school is not in session. You are urged to periodically review your insurance brochure to ensure that you understand the coverage provided.

You should always inquire regarding coverage acceptance prior to being seen by showing your insurance card.

**URI Injury/Sickness Insurance**

URI Health Services has selected UnitedHealthcare Student Resources (UHCSR) to provide student health insurance beginning September 1, 2014 (August 15, 2014 for International Students).

For more information about UHCSR insurance or to locate a provider in the UnitedHealthcare Choice Plus network, go to:

Health care is _not available_ on campus during summer months and during holiday and other breaks.

The information in this pamphlet is provided to assist our students and others in meeting their health care needs off campus. The following is a description of various provider organizations in our area. It is not meant to be all inclusive, but represents a variety of sources that should meet your needs. For a complete list of available health care resources in our area, we suggest you consult the local telephone directory.

We have listed the types of services available and distance from URI.

You will be responsible for a co-payment as described in the insurance brochure.
