**Reminder**

When classes are **not** in session (certain holidays and breaks) and Health Services is closed, health care provided by agencies listed within or other health care providers must be paid for by your health insurance carrier. Your student Health Services Fee **does not cover** your health care needs when school is not in session. You are urged to periodically review your insurance plan to ensure that you understand the coverage provided.

You should always inquire about health insurance coverage prior to being treated by showing your insurance card.

**URI Injury/  
Sickness Insurance**

URI Health Services has selected United Healthcare Student Resources (UHCSR) to provide student health insurance beginning September 1, 2015 (August 15, 2015 for International Students).
