When classes are not in session (certain holidays and breaks) and Health Services is closed, health care provided by agencies listed within or other health care providers must be paid for by your health insurance carrier. Your student Health Services Fee does not cover your health care needs when school is not in session. You are urged to periodically review your insurance plan to ensure that you understand the coverage provided.

You should always inquire about health insurance coverage prior to being treated by showing your insurance card.

URI Injury/ Sickness Insurance

URI Health Services has selected United Healthcare Student Resources (UHCSR) to provide student health insurance beginning September 1, 2020.

For more information about UHCSR insurance go to: www.uhcsr.com

Health care is not available on campus during certain holidays, and is only available for limited hours during breaks.

The information in this brochure is provided to assist our students and others in meeting their health care needs off campus. The following is a description of various healthcare facilities in our area. It is not meant to be all inclusive, but represents a variety of sources that should meet your needs.

We have listed the types of services available and distance from URI.
