Dear New Student,

Welcome to the University of Rhode Island! We know you are going through an unprecedented difficult time as our world deals with the COVID-19 virus, and we want you to know things will turn around as you prepare to embark on this exciting new chapter in your life. We are here to support you and assist you with all of your healthcare needs as you begin your URI career. We know this is an exciting time with much to do, but we want to inform you of some actions you must take to fulfill URI Health Services requirements. All new full-time undergraduate students must complete these requirements by July 13, 2020. All new full-time graduate students and all new international students must first register for classes in order to complete the following (requirements must be completed by the first day of classes). Failure to submit this required health information by the deadline may result in a hold on your account that could hinder your ability to register for classes.

Please visit our website at health.uri.edu and select the New Student Information menu. Detailed instructions on our website will guide you through the requirements. Below is a checklist of actions that need to be completed.

Please check your URI email (my.uri.edu) for communication from URI Health Services throughout the summer. We will send you emails regarding your immunization and health insurance waiver status. If you have further questions, please call Health Services at 401-874-2246.

**URI Health Services To Do List for New Incoming Students:**

- **Register for the URI Health Services Patient Portal**
- **Enter your Vaccination Dates (Both Required and “Other-Not Required”)**
- **Complete the Required Online Forms in the Patient Portal**
  - Health History for New Students
  - Student and Emergency Contact Form
  - TB Screening Form (Note: If you answer Yes to any of the questions, you must take the TB Risk Assessment form to your medical provider, have it completed and upload it under the Upload section)
- **Upload Completed Documents in the Patient Portal**
  - Immunization Record (you can use records from your doctor OR have your doctor complete the URI Immunization Record)
  - Photograph of all medications you currently take
  - Consent To Treat a Minor Form (ONLY if under 18 years of age)
  - Physical Exam form (not required, but recommended if dated within the last 18 months)
  - TB/Tuberculosis Risk Assessment Form (if required based on answers to the TB Screening Form)
  - Take photos of your current medications and upload in the patient portal (or save on your mobile device)
- **Waive the URI Student Health Insurance if you have comparable health coverage**
  - Log into your e-Campus account (uri.edu/ecampus) Note: this is different than the patient portal).
  - Go to Menu in the top left corner and select URI Student Services, then select Insurance Waiver.
  - Please note that URI Student Health Insurance must be waived annually.
- **Complete the online Behavioral Health Survey** (https://www.surveymonkey.com/r/URIHSFall2020)

We welcome you and look forward to helping you with your healthcare needs throughout your academic career. Wishing you a happy and healthy summer!
